*Sponsored by*  
*New York State Horse Council*  
*Eastern Competitive Ride Association*

**No Blacktop**  
**Woodland Trails**  
**Pure Country Campground**

The annual Brookfield (NY) Competitive Trail Ride (CTR) will be at the [Pure Country Campground](#) on June 22, 23, & 24 2018. This ride has been held since the 1970's as the New York 100 as a collaborative effort sponsored by the **New York State Horse Council** and sanctioned by the **Eastern States Competitive Trail Ride Association**. For the 7<sup>th</sup> year, a new management team is running this historic and beloved ride by accommodating a one day 15 mile Conditioning Distance Ride, a one day 30 mile CTR and a two day 50 mile CTR. We believe that this combination of offerings, along with our excellent location on the most pristine trail system in New York State as well as beautiful facilities at basecamp will again make this event a memorable ride.

Competitive Trail Rides are judged rides over a set course done at an average speed of about 6 miles per hour. All riders are expected to take almost the same time to complete the ride. These are not races nor are they obstacle courses. The horses are examined by two judges from nose to tail at both the start and the finish of the course. The horse who completes the course and has the least deductions for wear and tear or condition will be the winner. For more information regarding rules and suggestions for conditioning see [www.ECTRA.org](http://www.ECTRA.org).
