

Jillian Keding, NYSHC Youth Representative

To New York State Horse Council Youth Members . . .
I'd love to learn & share horse experiences
with you. Please feel free to contact me @youth@nyshc.org

NYSHC Youth Program @<http://nyshc.org/post.php?pid=13>

If you know of a youth who would like to become a member,
please go to NYSHC.ORG for membership information.

Jillian's News

I am Jillian Keding the New York State Horse Council Youth Representative and a member of the Western Chapter. In the youth program the members have a chance to learn about their Equine community of horses and be recognized at some of the horse involved events! I am a reporter for the youth program and am looking to get more youth members involved. This is a great opportunity to get more of the general public interested in the horse industry.

I get to ride at Skibbereen Farms and I really enjoy riding! Do you take any horseback riding lessons and of what style? Horses require a lot care and time but they are worth it as the amazing animal that they are. Do you own a horse? A big part of the Horse Council is your chapter what chapter are you in or are you a general member? If you answer me I will put together a summary all the responses in my next article. You can contact me at youth@nyshc.org

Jillian
