

Jillian Keding, NYSHC Youth Representative

EQUIFEST 2018 IS COMING!!!

I am part of the Equifest planning committee which is so exciting for me! Let me tell you about some of the events that will be taking place.

Equifest 2018 is totally new and different this year. Some of the things I am looking forward to seeing are: "Watch horses learn to paint" and an event that is exciting to me is a new event where law enforcement (Wyoming County Posse) will be doing a drill team routine.

Some of the booths in the main barn this year are Purinia, Western Chapter New York State Horse Council Booth, and new and totally awesome New York State Horse Council Youth Booth! Stop by to meet me!

What's the deal with the Youth Booth?:

Barbara Moore and I have made a super cool horse cross word puzzle that all the younger children attending can complete. They will be able to answer a word if they choose.

Sign up forms to join the youth program will be at the table.

Finally, I will be there and you can talk to me personally so I can't wait to meet all of you! I will try and stay there for as long as I can to talk to all of you. See you at Equifest!

Regards-

Jillian Keding
