

Jillian Keding, New York State Horse Council Youth Representative

WNY EquiFest 2018 is almost here! It will be held on March 24 and 25 at the Erie County Fairgrounds in Hamburg. This year we are going to have about forty five presentations. And we have a big surprise- a brand new YOUTH BOOTH!!!! It will be in the Agriculture Discovery Center. Between the Agriculture Discovery Center and the main Showplex arena we will have Dressage exercises, Horses doing paintings, the Wyoming County Mounted Sheriff's Posse, Young Living Essential Oils for horses, Dr. Anna Pesta from Purina , Cowboy Poet, Cutting and many more features including the Western Chapter Horse Council Booth.

For our new Youth Booth we have planned a big crossword puzzle that everyone can work on, membership forms and scholarship applications and a surprise competition. Plus you can meet with me and catch up on my articles and puzzles.

Regards,

Jillian Keding
