Directions to Pure Country Campground (PCC) Do Not use your GPS directions! Go to the PCC website: Near the top right of the page is a login oval. Just below and left of this is the word directions. Click this link to get to the next page. Scroll down to the bottom of that mostly blank page and click the small sentence that says "Click here to get turn by turn driving directions." This will take you to a map and directions. Insert your starting point then click search. It will give you good directions to the campground.
